Manufacturer's Certification Statement Pertaining to the Energy Policy Act of 2005

IRS Notice 2006-26 provides procedures that manufacturers may follow to certify property as an Eligible Building Envelope Component, as well as guidance regarding the conditions under which taxpayers seeking to claim Internal Revenue Code Section 25C tax credits may rely on manufacturer's certification.

The following building envelope components are Eligible Building Envelope Components and qualify for the credit allowed under Internal Revenue Code Section 25C, when installed as an exterior window in any climate zone in the continental United States:

Northern Classics windows with LowE and Argon, dual glazed glass:

- Series 751 Casement
- Series 751 Awning
- Series 851 Double Hung

Vinyl Classics windows with LowE, dual glazed glass:

- Series 201 Single Hung
- Series 201 Horizontal Slider
- Series 701 Casement
- Series 701 Awning
- Series 801 Double Hung

Vinyl Classics Sliding Patio Door with LowE, dual glazed glass:

- Series 3101 Sliding Patio Door

For tax purposes, homeowners are advised to keep their purchase receipt(s). As in all tax matters, the taxpayer is advised to consult their tax professional.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
