

Manufacturer's Certification Statement Pertaining to the Federal Tax Credits for Energy Efficiency

Energy Star qualified exterior windows and patio doors that are placed into service from January 1, 2017 through December 31, 2022 may qualify for a tax credit, which is identified in the Non-Business Energy Property Credit that extended the credits through December 31, 2022.

The following products, when purchased with a qualifying glass package, meet the requirements as stated above.

Northern Classics Windows

Series 751 Casement and Awning

Vinyl Classics Windows

Series 201 Single Hung and Horizontal Slider

Series 701 Casement and Awning

Series 801 Double Hung and Horizontal Slider

Vinyl Classics Sliding Patio Door

Series 3101 Sliding Patio Door

Series 2000 Sliding Patio Door

Heritage Windows

Double Hung Window

For tax purposes, homeowners are advised to keep their purchase receipt(s), NFRC certification documentation (NFRC label on window), and comply with all applicable IRS requirements. As in all tax matters, the taxpayer is advised to consult their tax professional.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Signed: Rich Fjerstad, Sales Manager, Hayfield Window and Door Co. LLC
